

End of Year Report

PATH4YOU is dedicated to providing high quality, free birth control across the state of Indiana. We believe our patients should have total control over their bodies, which is why we educate our patients on their birth control options to help them pick the right option for their needs. Our program continues to develop and grow as we keep providing birth control with no hassle and no judgment.

Since the start of our project in September 2021, PATH4YOU has:

Served **516** unique
patients over **582** visits

● Telehealth visits ● In-person visits

Provided **475** birth
control methods

● Pills ● Ring ● Hormonal IUD
● Patch ● Depo ● Nonhormonal IUD
● Nexplanon

To donate, get more information, or receive care,
visit **path4you.org** or email us at **path4you@iu.edu**.
